Attention Plumbing Contractors and / or
Homeowners:

May 1 through October 1 gas inspections will no longer be conducted after 4:00 p.m. Gas inspections of occupied dwellings will be given priority during the day; however, if the test isn't holding prior to 3:30 p.m. the inspection will be scheduled for the next day.

Gas inspections will continue to be conducted on occupied dwellings on weekends between 8:00 a.m. and 4:00 p.m.

After October 1, gas inspections of occupied dwellings will be available after hours until 8:00 p.m. If an inspection is not ready until after 8:00 p.m., the inspection will need to be scheduled for the next day.

Attention Electrical Contractors and / or
Homeowners:

Inspectors will no longer conduct electric service repair and / or meter base repair inspections after 8:00 p.m. If the repairs are not completed prior to 8:00 p.m., the inspection will be scheduled for the next day.
